Standard Customer Terms 2026

Version ACME-TC-2026, effective 2026-01-01. Document owner: Legal & Compliance (legal@acme.test). Approved by Priya Raman (CEO) and Hannah Schmidt (CFO).

1. Scope

These terms apply to every sale of AMR-200 and AMR-500 robots, FleetOS subscriptions and related services, unless a signed contract says otherwise. Sales attaches them to every quotation and proposal.

2. Prices and payment terms

• Invoices are payable within 30 days of the invoice date (net 30).

• Robots are invoiced on delivery. FleetOS subscriptions are invoiced annually in advance.

• Late payments carry the Dutch statutory commercial interest from the due date.

• FleetOS subscription prices may be adjusted once a year, by at most 5 percent.

3. Warranty

• Robots carry a hardware warranty of 24 months from delivery, covering defects in materials and workmanship.

• Batteries are covered by the same 24-month warranty; a battery whose health is below 70 percent is replaced free of charge.

• The warranty does not cover damage caused by use outside the operating conditions in the product manual, or by unauthorised repairs.

4. Limitation of liability

• Acme's total liability under a contract is limited to the fees the customer paid in the 12 months before the claim.

• For a one-time robot purchase, the cap is the purchase price of the affected robots.

• Neither party is liable for indirect or consequential loss, including lost profits and lost production.

• The cap does not apply to death or personal injury caused by negligence, to fraud, or to wilful misconduct.

5. Deviations need approval

Requested change	Approval needed
Payment terms longer than 30 days, up to 45 days	VP Sales (Diego Alvarez)
Payment terms longer than 45 days	CFO (Hannah Schmidt)
Liability cap above 12 months' fees	CEO (Priya Raman), after Legal & Compliance review
Unlimited liability	Never offered
Warranty longer than 24 months	CFO (Hannah Schmidt)

Send every deviation to legal@acme.test before it is offered to the customer. Legal & Compliance answers within 5 business days.

6. Service levels

FleetOS support response times are set in the Customer Support SLA, which is part of every FleetOS subscription.

7. Governing law

Dutch law applies. Disputes go to the competent court in Rotterdam.
